

TAKE THE WORRY OUT OF LOSING VALUE IN YOUR FUTURE TRADE-IN.

TRADE-IN PROTECTION (TIP) provides financial assistance when YOU decide to trade, for the reason YOU want.

EXAMPLE OF HOW TIP WORKS:

You buy a new vehicle today for: **\$23,000**

At trade-in time you owe on your loan: **\$15,000**

Clean NADA trade-in book value is only: **\$12,500**

You owe out of pocket: **\$2,500***

TRADE-IN PROTECTION
covers the difference with
the help you need! **\$0**

HOW TRADE-IN PROTECTION WORKS

YOU PURCHASE A VEHICLE TODAY WITH TRADE-IN PROTECTION

TRADE-IN PROTECTION is included in your vehicle purchase. The amount of TIP is included as part of the sale price of the vehicle.

YOU TRADE-IN YOUR VEHICLE TO THE SAME DEALERSHIP

You wait **2/3** or **1/2** of your loan schedule.* (example: 30 months of a 60 month loan)
You trade-in to the original dealership that you first bought the vehicle from.

YOU BUY AGAIN FROM THE SAME DEALERSHIP

The TRADE-IN PROTECTION benefit of up to \$2,500* is paid directly to the dealership. This money is used as cash down on your next vehicle purchase.

COVERAGE EXAMPLE

The above graph is for illustration purposes only.

Changes with your vehicle, your environment and your life affect when you will choose to trade-in your vehicle and how much it will be worth when you do.

- Pays up to \$2,500* on new & used vehicles of negative equity
- Allows you to choose when you trade-in your vehicle for any reason and purchase another vehicle from the same dealership
